

Mi-TIC MOUNTING BRACKET

INTRODUCTION

The Mi-TIC Charger Station Mounting Bracket is designed to allow the Mi-TIC Charger Station to be securely mounted on any surface either horizontally or vertically.

The Mounting Bracket can be used as a template for marking out the drill-hole positions.

The Charger Station is then attached to its bracket by removing the front panel of the Charger Station and fastening the Charger Station to the Mounting Bracket using the M4 x 30 mounting screws provided.

Note: wall fixings NOT supplied.
